

GOING GREEN IS GREAT!

COMMUNITY ASSOCIATION

Vistoso Community Association (VCA) embraces the opportunity to enhance our community through reducing our carbon footprint. The following represents our 'Green' initiative regarding the quarterly VCA Newsletter...

Sustainable communities are restorative communities that revitalize their materials and consider the needs of the residents. Sustainability is, in a general sense, the capacity to maintain a certain process or state indefinitely. It is clear a 'Green' version of the VCA Newsletter far outweighs the current output financially and lessens our carbon footprint, and this move can potentially allocate funds in other areas of the community. Therefore, the Vistoso Community Association Board of Directors approved the Communication Committee recommendation to move the VCA Friday weekly communications and quarterly Newsletter to a monthly 'digital' format, beginning Friday, July 3, 2020.

For up to date information on Going Green or anything else in the Vistoso Community Association master visit www.RanchoVistosoHOA.com. If you have any questions, please do not hesitate to contact the VCA onsite staff at 520-354-2729.
