

TO: ALL VISTOSO COMMUNITY ASSOCIATION HOMEOWNERS
AND RESIDENTS:

RE: Fall Community VCA Community Yard Sale – Saturday,
October 10, 2020 (7am-2pm) – NOT CANCELED but
UNIQUE.

The Vistoso Community Association (VCA) schedules bi-annual community wide Yard Sales (typically: Fall–October and Spring–April).

In April 2020, the VCA Board of Directors made the difficult decision to cancel the Spring Community Yard Sale and now it is time for our Fall Community Wide Yard Sale... but, we are still in a Pandemic! Covid 19 has heightened the concern about groups gathering; however, we are empathetic to those residents and families who prepare for these bi-annual Community Wide yard sales. In order to allow yard sales to take place the VCA Board will forgo violations for individual yard sales on Saturday, October 10, 2020 and allow those interested to conduct yard sales.

The Board cannot promote social gatherings, however, so the Yard Sale will not be sponsored by the VCA with advertising and signage this time around. The VCA Board promotes social distancing, wearing masks, washing hands or using hand sanitizer, and staying home if you feel ill.

Thank you for your patience while we all work through this Covid-19 Pandemic TOGETHER!

Be Well -
