

Vistoso Community Association
Board of Directors Nomination Application

Member Name: Sonia Suri, PhD

1. Please provide your statement of interest.

I submit the application to Vistoso Community Association to express my sincere interest in the Board member position. I believe my candidacy will be an excellent fit for this position. I have lived in Oro Valley for about 10 years now. I had to move out of town for sometime but I love this community hence moved back in 2021. I work part time hence I can dedicate my time to the association. I want to play an important role in concept development and strategy implementation. I have strong communication skills and have worked with cross functional groups. I have a strong personality and exceptional analytical skills. I am fluent in English and Hindi(native). I am passionate about my community and would like to be a part of this association as a board member.

2. Briefly list any business and/or volunteer positions you have held recently.

I work with students as their guide, mentor and advisor and help them achieve their career goals.

3. Briefly list the skills and expertise you possess that would directly contribute to the success of the board and benefit the community.

I am proficient in formulation and review of policies and procedures in my current career role so I can assist and guide the Board as required. I am trustworthy dealing with confidential information. I am solution minded and result oriented.

4. What do you see as the most important issues facing this community?
I am new in this community and have not encountered any issues yet.

5. Please enter your 150 word (or less) Bio below.

As an experienced educational professional with a PhD in the Life sciences, and decades of experience as an Educator, Advisor, Learning Specialist, and Career Coach, I have understanding and joy in working with students and professionals to attain academic succeed. In my role as a educator at multiple institutions, I have worked to develop personalized learning strategies and worked in curriculum development across different disciplines to make a positive impact and assist students reach their educational goals.

My experience as an educator and advisor, I am proficient at communication and understand my audience and support them by providing the tools to achieve their targets, I have experience working with cross discipline administrators, implementing meaningful changes. I also have experience in the management and coordination of working in the academics especially student assessments. I would be excited to contribute my knowledge and skills to the success of Vistoso Community Association.
