My professional career consisted of 40 plus years leading Customer Service Teams in Colorado, Arizona, Texas, California, and Arizona. Being able to understand issues and find resolutions is a major part of any and all Customer Service roles... and we are all providing Customer Service in some way... through families, church, and organizations we belong to! I am proud to live in Oro Valley and I want our Community to thrive and survive.
4. What do you see as the most important issues facing this community?
Having just spent time reviewing the Safeway/Woodburne/Avila process, I think that attention to rentals in our Community is important. We need to make sure the owners of the rentals keep up to the standards to which we all agree as Homeowners. I want our Community to look and feel great every day. I'm proud to be a member of this community and would like to do more.

5. Please enter your 300-word (or less) Bio below.

Successful HOA Boards consist of members who sincerely want to make a difference in their Community. I want to be a Member who will take this seriously and provide the information, review and suggestions that will continue to maintain property value as well as the wonderful lifestyle we want to enjoy.

I am committed to Oro Valley and support the Oro Valley Police Department as a Volunteer as well as a Town of Oro Valley Commissioner for the Public Safety Retirement System. I want to live in and support my Community. I have learned that there is no better feeling than working and being involved with Members of the Oro Valley Community.

I am committed to providing our Community with the Leadership that will listen and uphold the standards we want and need.
