ARCHITECTURAL AND LANDSCAPING CHANGE FORM (ALCF)

INFORMATION REQUIRED ON FORM: Please make sure when submitting your request to the Architectural and Landscaping Review Committee (ALRC) that all required information about applicant and project is complete on the ALCF (Form). Any missing or illegible information could cause a delay in processing your request. Please allow 30 business days after VCA receipt of the Form for processing and review. Your Form can not be processed without this information.

If you are a resident of a Sub-Association you must have your community's ALRC or equivalent committee's approval prior to submitting to the VCA ALRC. If you have a question in which neighborhood or Sub-Association you reside in, please contact the VCA on-site office for assistance. Or refer to the community neighborhood map on the VCA website. In addition, refer to page 6 of the VCA ALRC Guidelines regarding ALRC's and the Town of Oro Valley's project submission process and approval.

PROJECT INFORMATION: Any exterior modifications to the lot or dwelling, including landscaping or architectural (except exterior paint, see Paint Request Form) must be submitted with an accurate plan on the ALCF, not limited to location or type of structural modification or landscape improvements. Include accurate diagrams, photos, lot dimensions, setbacks and a detailed materials list. Samples of materials may be requested by the ALRC. Any missing, illegible, inaccurate or questionable information could cause a delay in processing your Form. Please indicate the section(s), Architectural or Landscape on the following Form that applies to your exterior modification project. If you have questions regarding specifications on your project, please refer to the VCA ALRC Guidelines and the CC&R's, which can be found under the "Resident Info" Tab and selecting "Helpful Documents" on the VCA website [click here](#).

FORM SUBMISSION: Please submit the completed Form and all documentation to the Vistoso Community Association. The Form and documentation can be emailed to ASKVCA, dropped off or mailed to the VCA on-site office at 1171 E Rancho Vistoso Blvd, Suite #111, Oro Valley Az. 85755. Email is the preferable and most efficient form of submission. All Forms are processed in the order they are received and reviewed as soon as possible. The VCA's ALRC is made up of volunteer members of the community and meet monthly. All submissions will be reviewed in a timely manner. Requests will be approved, denied or returned for additional information after review. All correspondence regarding the submittal will be sent to the homeowner via email. The approval is valid for 120 days. You must apply for an extension or reapply if details of the project change.

Any variance request may be submitted and shall require a minimum of 30-60 business days for processing and review. All variances require a review by the ALRC and approval by the VCA Board of Directors. The ALRC and Board meet monthly.

If you have questions, please call the VCA on-site office at (520) 354-2729 or email questions and submittal to staff at ASKVCA@ranchovistosohoa.com.
